INNOVATE IMPLEMENT **GROW**

THIS PAGE INTENTIONALLY LEFT BLANK

April 5, 2022

Dear Fellow Stockholder:

On behalf of the board of directors and officers of Extra Space Storage Inc., we are pleased to invite you to the 2022 Annual Meeting of Stockholders of Extra Space Storage Inc., which will be held on May 25, 2022 at 11:00 a.m. Mountain Time at the Extra Space Storage Inc. corporate offices located at 2795 East Cottonwood Parkway, Suite 300, Salt Lake City, Utah 84121.

As we navigated the barrage of challenges that impacted our industry in 2020, our team embraced the motto of “innovating for a better tomorrow.” In 2021, that better tomorrow certainly came. This year was record-breaking by almost every measure. Strong self-storage fundamentals, enhanced by persistent innovation and consistent execution, led to historically high same-store revenue net operating income growth, and Core FFO growth per share, resulting in total shareholder return of 101%. We were also awarded NAREIT’s Leader in the Light Award for the second consecutive year, recognizing the sustainable nature of our company.

Our team’s ability to innovate, implement and grow took performance to new heights in 2021. We achieved record high occupancy, peaking at 97.2%, with average occupancy for the year of 96.2%. Our high occupancy, strong demand, and muted vacancies, resulted in average realized rent per square foot growth of 10.6% for our same-store pool. Occupancy and rate growth led to same-store revenue growth of 13.8% and same-store NOI growth of 19.7%. Our investments also generated significant accretion, resulting in total 2021 Core FFO growth per share of 30.9%. Our exceptional performance allowed our board to increase our dividend twice during 2021, for a total increase of 38.9%.

We know that none of this could have been possible without having the best people in the industry. Team Extra Space is the lifeblood of our company, and they are the driving force behind the results. We continue to be impressed with the integrity, excellence, innovation, teamwork and passion that they bring to work every day to grow our company and the value of our investment as fellow stockholders.

This year we are again furnishing proxy materials and voting instructions to our stockholders through mail and over the Internet, as allowed by the Securities and Exchange Commission. On or about April 5, 2022, we intend to provide access to our digital proxy materials and to mail the Notice Regarding the Availability of Proxy Materials. Some stockholders may, if they have so previously requested, receive paper copies by mail. We believe that this notice and access process expedites stockholders’ receipt of proxy materials, while lowering costs of delivery and reducing the environmental impact of our annual meeting.

Your vote is important. Even if you plan to attend the meeting, we urge you to vote your shares electronically through the internet or, if you have requested and received a paper copy of the proxy statement, by completing, signing and returning the paper proxy card enclosed with the proxy statement according to the instructions.

Thank you for your continued support, interest and investment in Extra Space Storage Inc.

Warmest regards,

C - Committee chair

Our director nominees bring a balance of experience and perspective. We believe that our board's expertise allows the board to effectively oversee management to ensure that the interests of the board of directors and management align with the interests of our stockholders.

Sustainability

At Extra Space, we believe that part of doing well is acting as good corporate citizens and running a company that is built to last. With a focus on the future, we plan to benefit our stockholders today and over the long term. We do so by taking care of our customers, our employees, and our real estate holdings and by reducing our overall impact on the environment. We believe that our environmental, social and governance initiatives are consistent with our obligation to maximize stockholder value. In an effort to communicate better with our stockholders and be transparent about our sustainability practices, the company has published a sustainability report, which can be found at <https://ir.extraspace.com/sustainability>.

Environmental

As a public real estate investment trust ("REIT") and owner and manager of real estate, we are not only stewards of our stockholders' capital, but also of the environment. As stewards, we seek to reduce our carbon impact. We do this through energy-saving initiatives such as installing solar panels, installing motion activated systems to turn lights on and off automatically and replacing older fixtures with modern energy-saving fixtures and bulbs. We also sell products made of recycled materials.

Environmental highlights for 2021 include:

- NAREIT Leader in the Light Award Winner (2020 & 2021), the only self-storage company ever to be recognized
- Highest rated U.S. storage REIT by the Global Real Estate Sustainability Benchmark (GRESB) for the 5th consecutive year
- 14.8% reduction in Greenhouse Gas (GhG) emissions per square foot (Scope 1&2)
- Completed solar installation projects at 75 of our stores, investing \$17.7 million
- 53% of all REIT owned stores have solar panel systems
- 5.7% reduction in energy use per square foot (net of solar production)
- Saved over 15 million sheets of paper through digital lease initiative (program to date)
- 60% increase in waste diverted to recycling centers rather than to landfills

SUSTAINABILITY

Social Responsibility

Our greatest asset is our people. We strongly believe in training and retaining talented diverse employees and having management at all levels engage with our employees, our customers, our board and other stakeholders. At Extra Space, we believe that as we take care of our employees, they will take care of our customers and our facilities. We do so by focusing on employee engagement, inclusion, safety and wellness.

Social highlights for 2021 include:

- Chosen as one of America's Best Midsize Employers by Forbes for 2021
- Chosen as a Best Place to Work by the Salt Lake Tribune
- Joe Margolis honored with CEO of the Year Award by Utah Business Magazine
- Received Utah Worksite Wellness Platinum Award for wellness program and other healthy initiatives
- Diversity and Inclusion Committee launched four Employee Resource Groups for employees who affiliate with or wish to be allies for persons of color, women, LGBTQ and veterans
- Continued Education Assistance Program with Western Governors University allowing our employees to enroll and work towards an undergraduate degree in Business or Information Technology, providing scholarships and other assistance
- Awarded "There's Space for Everyone" scholarships to four college students
- Named a Best Customer-Service Company by Newsweek magazine
- Sponsored paid volunteer hours by our employees, benefiting both local and national nonprofit organizations
- Out-of-cycle increase in pay for all non-executive employees of 5%, in addition to a year-end increase in recognition of the efforts of our employees
- Matched employee donations to Feeding America, resulting in 500,000 meals donated to food banks

Governance

We are committed to strong corporate governance to promote the long-term interests of our stockholders, strengthen management accountability and help maintain public trust in Extra Space. We encourage open communication and positive working relationships among the members of our board. Our directors have access to, and regularly meet with, senior management and other employees. We actively seek input from our stockholders through our stockholder engagement programs and regular meetings with management. The Corporate Governance section below describes our governance framework which includes the following highlights:

- Independent Lead Director and Independent Director-led Audit, Compensation, and Nominating & Governance Committees
- Code of Business Conduct & Ethics (signed by all directors, officers and employees)
- Separate Chairman and Chief Executive Officer
- Whistleblowing and whistleblower protection policy
- Eight out of nine directors are independent
- Annual evaluations of our board
- Policy on recoupment of incentive compensation (claw-back policy)
- Annual election of all directors and majority voting in uncontested elections
- Robust director and executive officer stock ownership guidelines
- Stockholder ability to amend bylaws
- Regular succession planning and strong mentoring culture
- Proxy access provision in bylaws
- No employment agreements with officers
- Data protection and privacy policy
- No stockholder rights plan (poison pill)
- Annual advisory vote to approve executive compensation
- Quarterly and annual review of enterprise risk management plan and performance
- Prohibition against hedging and stringent limitations on pledging for officers and directors
- Double-trigger provisions in the event of change in control
- No employment or severance agreements

Executive Compensation Highlights

We are requesting your non-binding vote to approve the compensation of our named executive officers (“NEOs”) as described in the “Executive Compensation” section of this proxy statement. The goals for our executive compensation program are to (i) attract, retain and motivate effective executive officers, (ii) align the interests of our executive officers with the interests of the Company and our stockholders and (iii) align market competitive compensation with our short-term and long-term performance. At the Company’s 2021 Annual Meeting of Stockholders, an advisory vote was held to approve executive compensation, thereby affording stockholders the opportunity to cast a vote on the compensation programs for our named executive officers. The result of this vote indicated 96% approval of the compensation paid to our named executive officers.

Executive Compensation

We believe that our 2021 executive compensation was aligned with the Company’s strong performance during an unprecedented year. The following is a summary of the key components of the 2021 compensation program for our NEOs. The majority of compensation of our NEOs is performance related to ensure that our executive officers are closely aligned with maximizing shareholder value, as reflected in the charts below.

*Totals also exclude “All other compensation” as disclosed in the Summary Executive Compensation Table

CORPORATE GOVERNANCE

Overview

The board of directors believes that the purpose of good corporate governance is to ensure that the board of directors is independent from management, adequately oversees management, and ensures that the interests of management and the board of directors align with the interests of our stockholders in order to maximize stockholder value in a manner consistent with all applicable legal requirements. Consequently, we have adopted corporate governance guidelines, which are available at www.extraspace.com under Company Info—Investor Relations—Corporate Governance.

C - Committee Chair

(1) Lead Independent Director

Director Independence

We require that a majority of the board of directors, and all members of the Audit Committee, the Compensation Committee and the Nominating and Governance Committee, be independent in accordance with the New York Stock Exchange ("NYSE") rules. In order to determine whether a director is independent, the board of directors affirmatively determines that there is no direct or indirect material relationship between the Company and the director. If all nine of the nominated directors in 2022 are elected, the board of directors has determined that more than 2/3 of the directors will be independent (eight of nine directors). The board reached this determination after considering all relevant facts and circumstances, responses to director questionnaires and considering transactions and relationships, if any, between us, our affiliates, our executive officers and their affiliates, and each of the director and applicable affiliates. The board also determined that all members of the Audit Committee, the Compensation Committee and the Nominating and Governance Committee are independent in accordance with NYSE and Securities and Exchange Commission ("SEC") rules.

Nomination of Directors

Nominees for director are selected by the Nominating and Governance Committee. The board of directors has developed criteria that are designed to describe the qualities and characteristics desirable for the board of directors as a whole. The Nominating and Governance Committee considers diversity of gender, race, age, experience, perspective and skills as important factors in choosing qualified candidates. The Nominating and Governance Committee's goal in the nominating process is to achieve an appropriate balance of knowledge and experience among the directors. In evaluating potential candidates to nominate to our board, the Nominating and Governance Committee seeks diverse candidates who will best serve the Company and whose expertise align with our long-term strategy to maximize stockholder value. The criteria and the effectiveness of our nomination policies are reviewed annually by the Nominating and Governance Committee and the board of directors. In general, they require that each director or nominee:

- possesses a high level of personal and professional ethics;
- has sound business judgment and integrity;
- has financial literacy or other business or professional experience relevant to understanding our business;
- has experience with businesses and other organizations of comparable size;
- has the ability to think and act independently; and
- has demonstrated the capacity to work constructively with others.

CORPORATE GOVERNANCE

The Nominating and Governance Committee will consider nominees recommended by stockholders. Stockholder recommendations of directors must be made in writing and include the candidate's written consent to be nominated and sufficient background information on the candidate to enable the committee to assess his or her qualifications. Stockholder recommendations should be addressed to our Corporate Secretary at the following address:

Extra Space Storage Inc.
Attn: Corporate Secretary
2795 East Cottonwood Parkway, Suite 300
Salt Lake City, Utah 84121

Recommendations received from stockholders will be considered and processed subject to the same criteria as candidates nominated by the Nominating and Governance Committee, as discussed above.

Communications with the Board and its Committees

Any stockholder or other interested party may communicate with the board of directors, the independent board members, the Chairman, any of the committees of the board of directors, or one or more of its individual members, by directing correspondence to any such individual or group of individuals in care of the Corporate Secretary, Extra Space Storage Inc., 2795 East Cottonwood Parkway, Suite 300, Salt Lake City, Utah 84121 or by referring to the "Stockholder Communication Policy" at www.extraspace.com under Company Info—Investor Relations—Corporate Governance.

Board Evaluations

The Nominating and Governance Committee evaluates our Directors in light of the current needs of the Board and the Company. In addition, during the course of the year, the Nominating and Governance Committee discusses Board succession and reviews potential director candidates. The Nominating and Governance Committee has in the past retained a third-party search firm to assist in identifying and reviewing potential director candidates.

Our annual evaluation process involves assessments of each of the Board, Board committees, and individual directors under the direction of the Nominating and Governance Committee Chair and the Lead Independent Director. In addition, the Nominating and Governance Committee takes into consideration its ongoing evaluation of potential new director candidates when recommending a slate of nominees for election to the Board at each annual meeting of shareholders.

Prohibition Against Classified Board

Our Corporate Governance Guidelines prohibit a classified board as well as staggered terms. We require each director to be elected annually, except for board actions to fill vacancies arising between stockholder elections.

Code of Business Conduct and Ethics

Our Code of Business Conduct and Ethics (the "Code") outlines the principles of conduct and ethics to be followed by our employees, officers and directors, including our principal executive officer, principal financial officer and principal accounting officer. The purpose of the Code is to:

- promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- avoid conflicts of interest, including disclosure to an appropriate person or committee of any material transaction or relationship that reasonably could be expected to give rise to such a conflict;
- promote full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC and in other public communications made by the Company;
- comply with applicable governmental laws, rules and regulations;
- promote prompt internal reporting to an appropriate person or committee of violations of the Code;
- promote accountability for adherence to the Code;
- provide guidance to employees, officers and directors to help them recognize and deal with ethical issues; and
- provide mechanisms to report unethical conduct and help foster our longstanding culture of honesty and accountability.

A copy of the Code has been provided to, and signed by, each of our directors, officers and employees. A copy of the Code is available on our website at www.extraspace.com under Company Info—Investor Relations—Corporate Governance.

Proxy Access and Bylaw Amendments

Our bylaws permit proxy access. A stockholder or a group of up to 20 stockholders, owning at least 3% of our shares for three years, may submit nominees for up to 20% of the board, or one "nominee", whichever is greater, for inclusion in our proxy materials, subject to complying with the requirements contained in our bylaws. In addition, the board amended our bylaws to allow stockholders the right to amend the bylaws by the affirmative vote of a majority of the votes entitled to be cast on the matter.

Stockholder Engagement

We encourage open communication and strong working relationships among the members of our board. Our directors have access to, and regularly meet with, senior management and other employees. We actively seek input from our stockholders through our stockholder engagement programs. In addition, stockholders may also contact members of our board or management through our website or by regular mail. We host quarterly earnings conference calls to which all stockholders have access. During the past four years we have adopted a number of significant governance changes as a result of outreach to our stockholders for their views. During each of the last three years, we have met or been in contact with a majority of our stockholders. Based on that outreach, we believe the combination of actions we have taken present an overall governance structure responsive to their views.

Retirement Age or Term Limits

Rather than imposing arbitrary limits on service, the Nominating and Governance Committee regularly reviews each director's continued role on the board and the need for periodic board refreshment. Three of our nine directors have joined the board in the last five years.

Pledging Limitations & Hedging Prohibitions

The Company has adopted a policy that limits pledging transactions by our directors and senior executives. Such pledges are only allowed with respect to shares held in excess of stock ownership requirements and only after obtaining the written permission of the Compensation Committee. The Compensation Committee believes that allowing pledges in excess of the stock ownership requirements is unlikely to result in adverse effects to stockholders. The Compensation Committee also recognizes that by allowing such pledging arrangements, directors and senior executives are able to pursue their respective business interests without the need to sell Company shares to raise additional capital.

The Company has adopted a policy that applies to our directors and senior executives that prohibits all hedging and similar monetization transactions.

Claw-backs to Recoup Compensation

We have a Compensation Recovery Policy (claw-back policy) that covers all executive officers. If any executive officers are involved in fraudulent, willful or negligent misconduct that results in the Company being required to prepare an accounting restatement due to its material non-compliance with any financial reporting requirement, then the Compensation Committee may require the executive officers to forfeit that portion of the unvested or unpaid incentive compensation (annual cash bonus and long-term equity incentive compensation) and/or recover that portion of the after-tax portion of any incentive compensation paid to such officers preceding the publication of the restated financial statement that the Compensation Committee determines was in excess of the amount that such officers would have received had such compensation been calculated based on the financial results reported in the restated financial statements.

The Compensation Committee may take into account any factors it deems reasonable in determining whether to seek recoupment of previously paid incentive compensation and how much incentive compensation to recoup from individual officers (which need not be the same amount or proportion for every officer), including any conclusion by the Compensation Committee that an officer engaged in wrongdoing. The amount and form of the compensation to be recouped will be determined by the Compensation Committee in its discretion, and recoupment of compensation paid as annual cash bonuses or long term incentives may be made, in the Compensation Committee's discretion, through cancellation of vested or unvested restricted stock awards and/or cash payment. The Compensation Committee intends to update the claw-back policy as necessary in the event that the SEC requires any such updates.

CORPORATE GOVERNANCE

Social Responsibility

Our culture is driven by our belief that our people are a key driver in our success. We believe that if we focus on attracting, developing and retaining diverse top talent at all levels of the organization, our employees will take care of our customers and drive growth for our stockholders. We do so by focusing on employee engagement, inclusion, wellness and safety.

We believe that our efforts have paid off. In 2021, Forbes Magazine named the Company as a best mid-sized employer. The Salt Lake Tribune named the Company a Top Work Place for 2021. Mr. Margolis was named a CEO of the Year Honoree for 2021 by Utah Business Magazine.

We offer an education assistance program through Western Governors University that allows our employees a path to an undergraduate degree in Business or Information Technology through scholarships and other assistance. We currently have over 100 employees enrolled in this program. We expect these numbers to increase and look forward to helping our employees to a better tomorrow by allowing them to pursue higher education through an online university while continuing their employment with the Company.

In order to attract and retain diverse top talent, we offer training and development opportunities for our employees. In 2021, we invested in training and development for our employees, which included leadership training, unconscious bias and allyship training, communication training, individual learning plans, site manager training and mentorship programs. Our store employees received an average of eight hours of training in 2021 and each new hire received an average of 82 hours of training in 2021.

We believe that promoting the health and well-being of our employees through their own personal wellness plans leads to an increase in employee productivity, improves morale, creates a positive and healthy work environment and reduces healthcare costs. We offer competitive health benefits and encourage our employees to participate in employee health and wellness programs. Approximately 67% of our employees who are enrolled in our health plan participate in these programs. We offer individualized counseling to our employees to assist them with their journey towards better health. We also offer other health oriented benefits such as smoking cessation programs and a fitness program that allows for reimbursements to employees for expenses incurred relating to fit-friendly activities, sports or exercise equipment. The Company has always valued the safety of our employees and provides regular training for our employees to increase safety at our sites. During 2021, we continued to make masks and other protective equipment available to our employees. We also paid out more than \$500,000 to employees in an effort to encourage our employees to get vaccinated against COVID-19. In addition, we paid out more than \$380,000 in relief pay to our employees who were unable to work due to testing positive for COVID-19.

The Company values diversity and inclusion and undertakes a wide spectrum of initiatives to attract and retain a diverse workforce. During 2021, the Company launched four employee resource groups that provide our employees a space to build community by celebrating their culture, providing mentoring opportunities and developing educational content for Extra Space. Mr. Margolis signed the CEO Action Pledge for diversity and inclusion. The Company will continue to implement and pursue diversity and inclusion initiatives and goals that allow us to attract and retain top talent, improve employee engagement, increase innovation and customer insight and enhance the quality of our decision making.

We sponsored volunteer hours by our employees, benefiting both local and national nonprofit organizations. Included among these organizations are The American Red Cross, the United Way, Utah Food Bank and Strike Out Domestic Violence. By allowing our employees to give back to the community in a format of their choice, we believe that we increase our employees' engagement while doing good within our community. In addition, our employees donated over \$25,000 to the Feed America organization which the Company matched with an additional \$25,000 donation.

Environmental Sustainability

Focusing on environmental sustainability is not only right, it is smart. Our goal is to be the provider of choice for energy efficient and sustainable self-storage facilities nationwide. Our board plays an active role in the oversight of the Company's sustainability practices, recognizing that sustainability and energy efficiency are central to Extra Space's business strategy. Our efforts in promoting sustainability and energy efficiency are backed by a record of action. Across our portfolio we focus on the following:

- Improving energy efficiency through lighting retrofits. At December 31, 2021, 100% of our REIT owned stores have been upgraded, or are scheduled to be updated, to LED or T-8 lighting systems, with LED fixtures used on all projects since 2017. These lighting retrofit initiatives result in an estimated savings of over 11 million kilowatt-hours annually.
- Installing solar panels. We commissioned solar at 75 of our stores in 2021, resulting in 53% of our REIT owned stores utilizing solar power systems. We have generated 185 gigawatt-hours through on-site solar panels since we initiated our solar initiative in 2010. In 2021, our clean energy production offset the emissions of 64 million miles driven by the average automobile according to U.S. Environmental Protection Agency Metrics.
- Decreasing heating and air-conditioning expenses by controlling temperatures and updating to more energy efficient systems.
- Reducing water consumption with efficient plumbing devices and irrigation systems.
- Diverting waste to recycling centers rather than landfills. In 2021, we increased recycling volume by 60%, and over 18% of total 2021 waste was diverted to a recycling center.
- Recycling 2,483 pounds of obsolete computer and telephone equipment.
- Using recycled materials in the products we sell in our stores. Our boxes are certified by the Sustainable Forestry Initiative (SFI), demonstrating that they have been produced by responsible sources.

In 2021, we received NAREIT's Leader in the Light award for the 2nd consecutive year. We are the only self-storage REIT recognized in the award's history. We also participated in the GRESB Real Estate Assessment, and increased our score over 2020 levels by 23% from a 59 to a 73. We received the highest real estate assessment score of any North American company in the storage sector, and received an "A" public disclosure score compared to the Global Average score of "C." We have joined GRESB as a full member, and will continue to participate in the GRESB Real Estate Assessment annually. We will continue to participate in other industry related surveys focused on sustainability reporting. We will also pursue opportunities for green building certifications for our portfolio, initially focused on states where incentives are offered for such certifications. Today, we have LEED Gold Certification at 16 of our stores.

LEADERSHIP STRUCTURE, MEETINGS AND COMMITTEES OF THE BOARD

Leadership Structure

Independent directors and management have different perspectives and roles in strategy development and execution. Our independent directors bring experience, oversight and expertise from outside the Company and across various industries and disciplines, including manufacturing, real estate, technology, financial services, academia and government. Our Chairman and our CEO bring extensive company-specific experience and expertise to their roles.

Our board of directors has separated the positions of chairman of the board and CEO. Mr. Woolley serves as our Chairman, and Mr. Margolis serves as our CEO and director. Our board of directors has determined that this leadership structure is appropriate at this time as it allows the CEO to focus on our day-to-day business, while allowing the chairman of the board of directors to lead the board in its fundamental role of providing advice to and independent oversight of management.

The board has a governance structure that includes regular meetings of the independent directors in executive session and with our internal auditors, external auditors and other consultants. Our lead independent director helps to facilitate and strengthen the role of the independent directors. The specific responsibilities of the lead independent director are as follows:

Executive Sessions/ Committee Meetings	- Presides at all meetings of the board at which the Chairman is not present
Meetings of Independent Directors	- Calls meetings of the independent directors and sets the agenda
Liaison with Chairman and CEO	- Serves as liaison between the independent directors, the Chairman and the CEO - Meets regularly between board meetings with the Chairman and CEO
Board Processes and Information	- Helps ensure the quality, quantity, appropriateness and timeliness of information provided to the board and meeting agendas - Ensures feedback is properly communicated to the board and Chairman
Retention of Outside Advisors and Consultants	- Retains outside advisors and consultants who report directly to the board
Communications with Stockholders	- Responds and communicates with stockholders on inquiries when appropriate, following consultation with the Chairman and CEO

Risk Oversight

The board is responsible for overseeing our Company-wide approach to the identification, assessment and management of major risks. Oversight for certain specific risks falls under the responsibilities of our Board committees.

- The Audit Committee focuses on financial and other risks, including legal, reputational and cybersecurity related risks. The Audit Committee receives a quarterly update on our policies with respect to risk assessment and risk management and plays an active role in ensuring that the risk management plan is effective in mitigating the major risks we face.
- The Compensation Committee focuses on risks related to our compensation program, including evaluating appropriate compensation incentives relating to the compensation of our executives and employees. The Compensation Committee reviews our compensation programs and policies from a legal and human resources perspective and regularly considers whether our compensation policies and practices encourage unnecessary or excessive risk taking. Based on the Compensation Committee's regular assessment, we believe that our compensation policies and practices do not present risks that are reasonably likely to have a material adverse effect on the Company.
- The Nominating and Governance Committee focuses on risks associated with succession planning, corporate governance, board and committee effectiveness and Environmental, Social and Governance matters.

The committees regularly advise the full board of their oversight activities. The risks identified in our risk management plan are discussed with the board to ensure that all known material risks are properly identified, assessed and managed. On an annual basis, we provide an update to the board on our key risks, risk assessment and risk management, including soliciting feedback from each director to ensure that we have properly identified, assessed and managed all known material risks. At most regularly scheduled board meetings, the board reviews key matters relating to the our finances, liquidity, operations and investment activity. In addition, the board receives quarterly presentations from senior information technology personnel to discuss recent trends in cyber risks and our strategy to defend its business systems and information against cyber attacks. Additionally, all directors have access to members of management if a director wishes to follow up on items discussed outside of the board or committee meeting.

LEADERSHIP STRUCTURE, MEETINGS AND COMMITTEES OF THE BOARD

Attendance at Meetings of the Board and its Committees

The board of directors holds at least four regularly scheduled meetings per year and additional special meetings as necessary. Each director is expected to attend all regularly scheduled and special meetings, unless unusual circumstances make attendance impractical. The board of directors may also take action from time to time by written or electronic consent. For the year ended December 31, 2021, our board and its committees maintained strong oversight over our management and business in holding a total of eight meetings on financial and operational results, corporate strategy, governance, compensation and other topics. Each director attended at least 90% of the meetings of the board of directors and of any committees on which he or she served during this period.

Committees of the Board of Directors

The committees on which each director serves are listed above in “Information about the Board of Directors and its Committees—Nominees for Directors.”

AUDIT COMMITTEE

The Audit Committee has direct responsibility for the appointment, compensation, retention and oversight of the independent auditors for the Company, and sole authority to establish pre-approval policies and procedures for audit and non-audit engagements with the independent auditors. The Audit Committee also oversees the operation of a comprehensive system of internal controls designed to ensure the integrity of the financial statements and reports and compliance with laws, regulations and corporate policies of the Company. Additionally, the Audit Committee oversees the independent auditor’s qualifications, performance and independence; monitors communications with the independent auditor; and monitors the performance of the internal audit function at the Company. A copy of the Audit Committee’s charter is available at the Company’s website www.extraspace.com under Company Info—Investor Relations—Corporate Governance. In accordance with the rules of the NYSE, the board of directors has determined that each of the current members of the Audit Committee is independent as defined by the Audit Committee’s charter and Section 303A of the NYSE Listing Standards.

As set forth in the Audit Committee’s charter, management of the Company is responsible for the preparation, presentation and integrity of our financial statements. Management is also responsible for maintaining appropriate accounting and financial reporting principles and policies, and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The internal auditors are responsible for independently assessing the principles, policies, internal controls and procedures surrounding the financial statements as well as monitoring management’s follow-up to any internal audit reports. The external auditors are responsible for planning and carrying out a proper audit of our annual financial statements, reviews of our quarterly financial statements prior to the filing of each Quarterly Report on Form 10-Q, and annually auditing the effectiveness of our internal controls over financial reporting and other procedures. The members of the Audit Committee are not full-time employees of the Company and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct “field work” or other types of auditing or accounting reviews or procedures or to set auditor independence standards.

Each of Ms. Olmstead and Messrs. Letham and Crittenden has been designated as an “audit committee financial expert” as defined in the SEC’s Regulation S-K, Item 407(d)(5).

REPORT OF THE AUDIT COMMITTEE

The Audit Committee assists the board of directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company, as well as the Company’s compliance with corporate policies and legal and regulatory requirements, including the Sarbanes-Oxley Act of 2002. During fiscal year 2021, the Audit Committee met 10 times, and discussed with the CEO, Chief Financial Officer (“CFO”), Principal Accounting Officer, internal auditors and independent registered public accounting firm (external auditors), the SEC filings that contained financial information, prior to their public release. The Audit Committee’s meetings include executive sessions with the Company’s external and internal auditors, in each case without the presence of the Company’s management.

In discharging its oversight responsibility, the Audit Committee received from the external auditors a formal written statement describing all relationships between the external auditors and the Company that might bear on the external auditors’ independence and discussed with the external auditors their independence and any relationships that may impact their objectivity and independence. The Audit Committee also discussed with management, internal auditors and external auditors the quality and adequacy of the Company’s internal controls and the internal audit function’s organization and responsibilities. The Audit Committee reviewed both with the external and internal auditors their audit plans, audit scope and identification of audit risks. After careful consideration of the best interests of our stockholders, the Audit Committee has chosen Ernst & Young LLP as our independent public accountants for fiscal year 2022.

(continued on next page)

LEADERSHIP STRUCTURE, MEETINGS AND COMMITTEES OF THE BOARD

In carrying out its responsibilities, the Audit Committee, among other things:

- monitors preparation of quarterly and annual financial reports by the Company's management;
- supervises the relationship between the Company and its external auditors, including: having direct responsibility for their appointment, compensation and retention; reviewing the scope of their audit services; approving audit and non-audit services; and confirming the independence of the external auditors;
- oversees management's implementation and maintenance of effective systems of internal and disclosure controls, including review of the Company's policies relating to legal and regulatory compliance, ethics and conflicts of interests and review of the Company's internal auditing program; and
- reviews, approves and/or ratifies related-party transactions for which such approval is required under applicable law, including SEC and NYSE rules.

During fiscal year 2021, management advised the Audit Committee that each set of financial statements reviewed and discussed by management with the committee had been prepared in accordance with U.S. generally accepted accounting principles ("GAAP"). In addition, management reviewed significant accounting and disclosure issues with the Audit Committee. These reviews included discussion with the external auditors of matters required to be discussed pursuant to AS 1301 (*Communications with Audit Committees*), as adopted by the Public Company Accounting Oversight Board ("PCAOB") including the quality of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with Ernst & Young LLP matters relating to its independence, including a review of audit and non-audit fees and the written disclosures and letter from Ernst & Young LLP to the Audit Committee pursuant to Rule 3526 of the PCAOB (*Communication with Audit Committees Concerning Independence*).

In addition, the Audit Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of the Company's internal and external disclosure control structure. As part of this process, the Audit Committee met privately with the Company's Director of Internal Audit and continued to monitor the scope and adequacy of the Company's internal auditing program, reviewing internal audit department staffing levels and steps taken to implement recommended improvements in internal procedures and controls. The Audit Committee conducted a performance self-evaluation for review with the board of directors that included a comparison of the performance of the Audit Committee with the requirements of its charter.

Taking all of these reviews and discussions into account, the Audit Committee members listed below recommended to the board of directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2021, for filing with the SEC.

Submitted by the Audit Committee,

Dennis J. Letham, Chairman
Gary L. Crittenden
Diane Olmstead
Julia Vander Ploeg

COMPENSATION COMMITTEE

The Compensation Committee operates under a written charter adopted by the board of directors, a copy of which is posted on the Company's website at www.extraspace.com under Company Info—Investor Relations—Corporate Governance. The Compensation Committee assesses the adequacy of its charter annually. The charter, which reflects the standards set forth in the SEC and NYSE rules and regulations, identifies the Compensation Committee's primary responsibilities with respect to compensation are to:

- examine periodically the philosophy and structure of the Company's compensation programs;
- oversee and act on behalf of the board of directors with respect to the benefit and compensation plans of the Company;
- establish the Company's total compensation philosophy, and ensure that the compensation programs of the Company reflect that philosophy;
- evaluate the CEO's performance in light of clearly established goals and objectives and establish the compensation of the CEO;
- review and approve the CEO's compensation recommendations with respect to other executives;
- monitor awards under the Company's equity compensation plans; and
- report to the board of directors in its meetings and executive sessions.

LEADERSHIP STRUCTURE, MEETINGS AND COMMITTEES OF THE BOARD

In performing its duties, the Compensation Committee has the authority to take such action as it deems appropriate to implement the purposes of the Compensation Committee. The Compensation Committee may retain legal, accounting or other consultants, and meet in separate executive sessions with the Company's management and employees and its compensation consultant.

The Compensation Committee retained Mercer as its independent compensation consultant to advise the Compensation Committee in connection with matters pertaining to director and executive compensation, including advising as to market levels and practices, plan design and implementation, comparable company data, consulting best practices and governance principles. The Compensation Committee has determined that Mercer is independent. In reaching these conclusions, the Compensation Committee considered the factors set forth in Exchange Act Rule 10C-1 and NYSE listing standards. During 2021, the Compensation Committee held eight meetings. There were no fees paid to Mercer during 2021 for director and executive compensation services due to a mid-year change in compensation consultant.

In August, 2021, the Compensation Committee engaged Meridian Compensation Partners ("Meridian") as its new independent compensation consultant to assist with the Compensation Committee's re-evaluation of the Company's overall executive compensation program and policies. Meridian does not provide any other services to the Company and consults with the Company's management only as necessary to obtain relevant compensation and performance data for the executives and the Company as well as essential business information so that it can effectively support the Compensation Committee with appropriate competitive market information and relevant analyses. The Compensation Committee has determined that Meridian is independent. In reaching these conclusions, the Compensation Committee considered the factors set forth in Exchange Act Rule 10C-1 and NYSE listing standards.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

All members of the Compensation Committee are independent under NYSE listing standards. During 2021, none of the executive officers of the Company served on the board of directors or compensation committee of any entity whose officers served either on the board of directors of the Company or on the Compensation Committee of the board of directors. No member of the Compensation Committee has ever been an officer or employee of the Company or any of its subsidiaries. No interlocking relationships existed during the year ended December 31, 2021, between any member of the Board or the Compensation Committee and an executive officer of the Company.

NOMINATING AND GOVERNANCE COMMITTEE

The Nominating and Governance Committee operates under a written charter adopted by the board of directors, a copy of which is posted on the Company's website at www.extraspace.com under Company Info—Investor Relations—Corporate Governance. The Nominating and Governance Committee assesses the adequacy of its charter annually. The charter, which reflects the standards set forth in the SEC and NYSE rules and regulations, identifies the Nominating and Governance Committee's primary duties and responsibilities as follows:

- identify potential board members and recommend to the Board a slate of nominees for election to the Board and recommend directors to serve on the committees of the Board;
- develop and recommend to the Board corporate governance guidelines applicable to the Company, including a code of ethics and monitor Company's compliance with such guidelines;
- engage in succession planning for the CEO;
- oversee the board of directors' annual evaluation of itself and its committees; and
- monitor and oversee management's efforts and activities on sustainability initiatives, including environmental, social and governance matters, including an annual in-depth review of the Company's progress regarding such initiatives.

The Nominating and Governance Committee reviews communications from stockholders and responds directly or through the Chief Legal Officer. In performing its duties, the Compensation and Governance Committee has the authority to take such action as it deems appropriate to implement the purposes of the Nominating and Governance Committee. The Nominating and Governance Committee may retain legal, accounting or other consultants, and meet in separate executive sessions with the Company's management and employees and its compensation consultant.

During 2021, the Nominating and Governance Committee held four meetings.

POLICY REGARDING BOARD ATTENDANCE AT STOCKHOLDERS MEETINGS

We encourage attendance at stockholders meetings by members of the board of directors and senior executives so that stockholders will have the opportunity to meet our directors and senior executives. All of our then-current board members attended the 2021 Annual Meeting of Stockholders.

DIRECTOR COMPENSATION

All non-employee directors receive compensation for their service. The Board determines the form and amount of compensation for non-management directors after consideration of the recommendation of the Compensation Committee. The Board has approved the mix of cash and equity compensation described below.

Retainers are paid quarterly in cash and are prorated when a director joins the Board. Below are the annual retainers that non-employee directors were entitled to receive beginning on May 26, 2021 for Board service:

Compensation	Amount
Chairman Cash Retainer	\$ 300,000
Director Cash Retainer	\$ 80,000
Lead Independent Director, supplemental	\$ 20,000
Audit Committee Chair, supplemental	\$ 20,000
Compensation Committee Chair, supplemental	\$ 15,000
Nominating & Governance Committee, Chair, supplemental	\$ 15,000
Non-Chair Committee Member, supplemental	\$ 10,000

In addition, all non-employee directors receive an award on the date of each annual meeting of shares of common stock equivalent in value to \$130,000 (to the nearest share), with the number of shares determined by the closing price of our common stock on the date of the annual meeting. These shares vest on the first anniversary of the date of grant, subject to a director's continued service through the vesting date. The following table presents the compensation paid to our non-employee directors in 2021:

Name	Fees earned or paid in cash	Stock awards ⁽¹⁾	Total
Kenneth M. Woolley	\$ 300,000	\$ 130,000	\$ 430,000
Roger B. Porter	111,875	130,000	241,875
Joseph J. Bonner	95,000	130,000	225,000
Gary Crittenden	95,385	130,000	225,385
Spencer F. Kirk	76,250	130,000	206,250
Dennis Letham	105,625	130,000	235,625
Diane Olmstead	95,000	130,000	225,000
Julia Vander Ploeg	95,000	130,000	225,000
Total	\$ 974,135	\$ 1,040,000	\$ 2,014,135

(1) Each non-employee director received 883 shares of common stock on May 26, 2021 which cliff vest after one year. Dollar amounts represent grant date fair value of such grants as determined in accordance with Accounting Standards Codification 718, "Stock Compensation" ("ASC 718") using the assumptions to value such awards reported in the notes to the Company's financial statements in its Annual Report on Form 10-K for the year ended December 31, 2021, filed with the SEC on February 28, 2022.

During 2021, Mr. Margolis served as a director and was also our CEO. As an employee, he did not receive any additional compensation for his services as a director. In accordance with SEC rules, we have not included Mr. Margolis in the table above.

Stock Ownership Guidelines for Directors

We have stock ownership guidelines that require each of our non-employee directors, within five years after appointment to the board, to hold shares of our common stock or restricted stock (whether or not vested) with a value equal to the sum of five times the annual cash portion of the board retainer. These stock ownership guidelines align our directors' interests with those of our stockholders by ensuring non-employee directors hold equity in the Company. Each non-employee director has met these guidelines as of December 31, 2021 or has additional time within which to come into compliance in accordance with the guidelines.

EXECUTIVE OFFICERS

Information for Joseph D. Margolis is contained previously under the heading “Information about the Board of Directors and its Committees—Nominees for Directors.” Information with regard to our other named executive officers is presented below. All executive officers are elected as officers at the annual organizational meeting of the board of directors held following each annual meeting of stockholders.

SCOTT STUBBS

AGE: 54

TITLE:

Executive Vice President and Chief Financial Officer

Scott Stubbs has served as our Chief Financial Officer since December 2011. He served as the Company’s Senior Vice President Finance and Accounting since our inception, and the Corporate Controller of our predecessor beginning in December 2000. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

GENERAL PHILOSOPHY

The Compensation Committee is made up of four independent directors, who determine our executive compensation policies in order to align management's incentives with the long-term interests of stockholders and to be competitive with comparable employers. Accordingly, our compensation program reflects the following key features to ensure management's incentives are appropriately aligned with our shareholders:

- Pay for performance;
- A high percentage of executive total annual target compensation in the form of equity, including 67% of long-term incentive awards include performance-based stock units which are "at risk" and subject to three-year performance periods to assess long-term performance.
- A market-based approach for evaluating and reviewing executive pay;
- Caps on annual and long-term incentives;
- No employment agreements for executive officers;
- Claw-back policy on compensation;
- No excessive perquisites;
- No tax gross ups; and
- Robust stock ownership requirements for executives.

SETTING EXECUTIVE COMPENSATION

Based on our philosophy underlying executive compensation policies, we place significant emphasis on annual and long-term performance-based incentive compensation. In addition to base salaries for our executives, annual cash incentives and long-term equity based incentive awards are designed to reward our executives based on the achievement of predetermined company and individual goals. We also consider historical compensation levels as well as other industry conditions and the overall effectiveness of our compensation program.

In order to ensure the fulfillment of our compensation philosophy and to assist in establishing the Company's aggregate level of compensation, the Compensation Committee engages a nationally recognized compensation consulting firm. Mercer provided executive compensation advisory services in 2021.

Working with Mercer for the purpose of evaluating and setting 2021 compensation for our NEOs, the Compensation Committee developed a list of 15 comparable REITs that are similar to the Company in total enterprise value, relative size, number of employees and inclusion of all direct competitors. The Compensation Committee also took into consideration such elements as joint venture properties and unconsolidated revenues. The companies used in the comparator group are:

- AvalonBay Communities, Inc.
- Equity Residential
- Public Storage
- Boston Properties, Inc.
- Essex Property Trust, Inc.
- Realty Income Corporation
- CubeSmart
- Life Storage, Inc.
- Regency Centers Corporation
- Digital Realty Trust
- Mid America Apartment Communities, Inc.
- UDR, Inc.
- Equity Lifestyle Properties, Inc.
- National Storage Affiliates Trust
- Vornado Realty Trust

The group includes our four direct competitors: Public Storage, Life Storage, Inc., CubeSmart and National Storage Affiliates Trust. The remaining companies represent publicly traded REITs with total enterprise values comparable to the Company and that generally recruit individuals to fill senior management positions who are similar in skills and background of those recruited by us.

The Compensation Committee uses compensation data compiled from our comparator group as the beginning reference point and as an indicator of competitive market trends. In addition, the Compensation Committee considers analysis prepared by Mercer that includes additional industry data. The Compensation Committee does not rely on a strict formulaic framework, but instead believes in combining a quantitative and a qualitative assessment against pre-established goals in order to allow the committee the ability to strike the appropriate balance between short-term objectives and long-term strategies while properly emphasizing objective results when assessing management's performance.

EXECUTIVE COMPENSATION

The Compensation Committee does not have a pre-established policy for the allocation of compensation between cash, non-cash compensation and long-term incentive compensation. None of the executive officers are present during Compensation Committee deliberations or decisions regarding such executive's compensation.

The following describes each element of our executive compensation program, along with a discussion of the decisions made by the Compensation Committee with respect to that aspect of compensation for 2021.

ELEMENTS OF EXECUTIVE OFFICER COMPENSATION AND BENEFITS FOR 2021

In 2021, named executive officers' total compensation was comprised of the following elements designed to complement each other:

- base salary;
- annual incentive bonus;
- long-term incentives through restricted stock and performance-based stock unit awards; and
- other benefits.

BASE SALARY

Base salary is a critical element of executive compensation as it provides executives with assured monthly cash compensation. In determining base salaries, the Compensation Committee based its evaluation on a variety of factors, including:

- the executive's qualifications, experience and past performance;
- the nature and responsibility of the position; and
- the salaries paid to the position within the comparator peer group and other information about similarly-situated executives in the comparable company data.

Due to the uncertainties with the ongoing pandemic, no salary increases were given to any of the NEOs for 2021. In making the decision on base salaries, the Compensation Committee reviewed changes in job responsibility and title, historical salary levels, performance and contributions made to the Company, the impact on total compensation, competitive conditions and the relationship of compensation to that of other of the Company's officers and determined the compensation awarded was appropriate to reward performance, ensure retention and maintain appropriate compensation differentials among the Company's officers.

ANNUAL INCENTIVE BONUS

We pay annual incentives to drive the achievement of key business results and to recognize individuals based on their contributions to those results. The Compensation Committee believes that this feature of compensation motivates executive officers to strive to attain our annual goals with 50% of these performance-based goals are tied to the financial operating performance of the Company and 50% are tied to the senior executive's achievement of specific management goals, outlined below.

The financial performance goals set for 2021 were based on the Company's achievement of a specific target (the "FFO Target") related to the Company's Core funds from operations ("FFO"). The FFO Target is defined and approved annually by the board of directors. The portion of bonus based on the FFO Target could incrementally increase or decrease based on meeting, exceeding, or failing to meet the FFO Target. The FFO Target is based on the Company's Core FFO, with additional adjustments agreed to by the board of directors in order to consistently review the performance of management as it relates to Core FFO. Core FFO provides relevant and meaningful information about our performance and is the primary measure that we use to assess our operating performance. For 2021, Core FFO was defined as FFO excluding revenues and expenses not core to our operations and non-cash interest. For annual bonus determination purposes for 2021, Core FFO was also adjusted to remove the impact of depreciation above or below a budgeted amount based on the Company's projections. FFO and Core FFO are non-GAAP measures and a reconciliation of those measures to GAAP net income attributable to common stockholders is attached to this proxy statement as Appendix A.

The FFO Target established for 2021 was \$5.97 of Core FFO per share. For annual bonus determination purposes for 2021, Core FFO was \$6.91 per share, resulting in the payment of 150% of the portion of the bonus related to the achievement of the FFO Target pursuant to the annual incentive plan. The annual incentive plan provides that the financial performance portion of executive officers' bonuses may be reduced or increased based upon the percent of FFO Target earned, with a maximum bonus payout of 150% in the event that the FFO Target is greater than 105% and a minimum payout of 50% in the event that the FFO Target is less than 95% of the FFO Target. Notwithstanding the foregoing, the Compensation Committee may, in its sole discretion, exclude or adjust significant non-budgeted or non-controllable amounts, gains, or losses from actual financial results in order to properly measure the Company's performance. In addition, the Compensation Committee may adjust the Company's overall FFO targets and gradations used to determine percentage of FFO target to appropriately implement the intent of the annual incentive plan. The Compensation Committee did not make any such additional exclusions or adjustments for 2021 bonus determination purposes.

EXECUTIVE COMPENSATION

The senior executives' corporate goals for 2021 included the following corporate goals along with each officer's individual goals. The corporate goals established for 2021 for our named executive officers are summarized as follows:

2021 Goals		2021 Achieved	
• Core FFO of \$5.97 or higher		• Core FFO of \$6.91	
• Same Store NOI growth of 5.4% or higher		• Same Store NOI growth of 19.7%	
• Do not exceed Corporate G&A budget		• Operated within Corporate G&A budget	
• Close \$700 million of acquisitions (gross) and approve \$400 million of bridge loans (gross)		• Invested \$2.0 billion (gross) in acquisitions and approved \$463.0 million of bridge loans (gross)	
• Expand third party management platform to 825 stores		• Expanded third party management platform to 828 stores	

In addition to the corporate goals listed above, the executive officers each have additional qualitative goals relating to operational efficiencies, technology, sustainability, growth and other company improvements. Mr. Margolis presented to the Compensation Committee his assessment of the achievement of the corporate goals listed above and the specific qualitative goals of each of our executive officers. The compensation committee reviewed the 2021 goals and achievements and weighed these against the outstanding Core FFO achieved for the year and the backdrop of the challenges of the pandemic. Upon discussion and review, the Compensation Committee approved an achievement level of 100% of the portion of the bonus related to the corporate goals outlined above and the individual qualitative goals for the Chief Financial Officer, Chief Marketing Officer, Chief Operations Officer and Chief Legal Officer. In addition, the Compensation Committee conducted its own evaluation of Mr. Margolis's performance relative to the above corporate goals and his individual qualitative goals and the Compensation Committee determined to approve an achievement level of 100% for Mr. Margolis for the portion of the bonus related to such goals.

The annual bonuses paid to the named executive officers for 2021 are reflected in the "Summary Executive Compensation Table" below.

LONG-TERM INCENTIVES FOR 2021

The Long-Term Incentive Program allows for grants of restricted stock and performance-based stock units ("PSU(s)"). The goals of the Company's equity awards are to: (1) align the interests of each executive officer with those of our stockholders by providing each individual with a significant incentive to manage the Company from the perspective of a stockholder with an equity stake in the business, and (2) encourage long-term retention of key employees by virtue of vesting conditions imposed on typical equity awards. Employees must remain employed by the Company for a fixed period of time in order for the equity awards to vest fully. Unless otherwise determined by the Compensation Committee, vesting ceases upon termination of employment and unvested grants of restricted stock and PSUs are canceled upon termination of employment. During the vesting period, restricted stock awards and PSUs may not be sold, transferred or pledged.

LONG-TERM INCENTIVES GRANTED IN 2021

For 2021, the NEOs of the Company received 33% of their long-term incentive awards in the form of restricted stock grants. Grants of restricted stock vest over a four-year period at the rate of 25% per year. The restricted stock grants may be voted and receive the payment of non-forfeitable dividends.

The remaining 67% of the long-term incentive awards to the NEOs come in the form of PSUs that vest after a three-year performance period. For the awards granted in 2021, the three-year performance period will end on December 31, 2023. These awards have two performance components, each weighted 50%, that are measured at the end of a three-year performance period. At the end of the performance period and to the extent performance goals are achieved, the PSUs will then be converted into common shares and paid out after the end of the performance period. In addition, the award recipient will receive a cash payment equivalent to the dividends that would have been paid on such stock during the performance period on the vesting date.

The first performance component of the PSUs measures our total stockholder return (measured by reference to the change in our share price plus dividends) as compared to the total stockholder return of a peer group consisting of all REITs tracked within the MSCI US REIT Index. If the Company achieves a total stockholder return at the 50th percentile of its peer group, then the PSUs will be paid out at 100% of the target units related to the total stockholder return metric. The second performance component of the PSUs measures the Company's annual growth in Core FFO, per share. The Compensation Committee has set a three-year Core FFO target which, if achieved, will result in a payout of 100% of the target units related to the FFO metric. The NEOs have the ability to be paid out at a range of 0% to 200% of the target units depending on the Company's performance with respect to both metrics. Performance above and below targeted levels will be determined by linear interpolation. Subject to the accelerated vesting described below, the NEOs must generally remain employed through the last day of the performance period in order to be eligible to vest in the performance-based stock units.

Grants of restricted shares and PSUs are discussed and reviewed at regularly scheduled meetings of the Compensation Committee. By taking such actions at regularly scheduled meetings, the Compensation Committee seeks to avoid any possible appearance that the

EXECUTIVE COMPENSATION

grant timing was manipulated to affect the value of the awards. We do not have any program, plan or practice to coordinate any equity awards with the release by us of material non-public information or any other investor relations activities.

The Compensation Committee awarded both restricted stock grants and PSUs to all of the named executive officers in 2021, which are shown in the “Grants of Plan-Based Awards” table below. The values of the restricted stock grants and performance-based units were determined by the Compensation Committee based on the recommendation of the CEO taking into consideration the total executive compensation at the comparator group of companies.

The equity awards granted to the named executive officers are eligible for accelerated vesting under certain circumstances as described below under “Executive Compensation Tables—Severance and Change in Control Arrangements with Named Executive Officers.”

FINAL RESULTS OF THE 2019 PERFORMANCE BASED UNITS

In February 2019, the Company issued PSUs to our NEOs, which allowed each NEO to earn from 0% to 200% of the target number of awards based on two performance components, each weighted at 50%, measured at the end of the three-year performance period that ended December 31, 2021. The first performance component of the 2019 PSUs was our total stockholder return (measured by reference to the change in our share price plus dividends) as compared to the total stockholder return of a peer group consisting of all REITs tracked within the MSCI US REIT Index. If we achieved a total stockholder return at the 50th percentile of our peer group, then the PSUs would pay out at 100% of the target units related to the total stockholder return metric. The second performance component of the 2019 PSUs measured the Company’s Core FFO per share. The Compensation Committee set a three-year Core FFO target of \$14.83 per share (cumulative Core FFO targets for the years 2019, 2020 and 2021), which, if achieved, would have resulted in a payout of 100% of the target units related to the Core FFO metric.

In February 2022, the Compensation Committee determined our performance relative to the performance metrics for the 2019 PSUs and approved the vesting of such awards at 200% of target. The following tables show the performance metrics and ultimate 200% achievement for the 2019 PSUs at the completion of the three-year performance period from January 1, 2019 through December 31, 2021 and the resulting stock awards.

2019 Performance Level							
Performance Metric ⁽¹⁾	Weighting	Threshold (0%)	Target (100%)	Maximum (200%)	Performance Result	% of Achievement	Weighted % of Achievement

(1) Achievement between levels is determined by linear interpolation.

EXECUTIVE COMPENSATION

The following table sets forth the number of 2019 PSUs that vested for each NEO resulting from the 200% achievement level as shown above.

	Target Number of Performance Based Stock Units	Resulting Number of Performance Based Stock Units ⁽¹⁾
Joseph D. Margolis	26,088	52,176
Scott Stubbs	7,290	14,580
Matthew Herrington ⁽²⁾	—	—
Gwyn G. McNeal	4,774	9,548
Samrat Sondhi	5,592	11,184

(1) In addition, each NEO received a cash payment equivalent to the dividends that would have been paid on such resulting number of 2019 performance-based units during the performance period on the settlement date of such awards in February 2021 as follows: Mr. Margolis, \$608,372; Mr. Stubbs, \$170,003; Mr. Herrington \$0; Ms. McNeal, \$111,330; and Mr. Sondhi, \$130,405.

(2) Mr. Herrington was promoted to Chief Operations Officer on June 1, 2020 and did not receive an award of 2019 PSUs.

OTHER COMPENSATION ELEMENTS

We provide benefits and perquisites to our named executive officers and other employees, such as medical and life insurance, 401(k) plan, and severance pursuant to the terms of the Company's change in control plan.

- **Medical Insurance.** The Company makes available to each NEO and their spouses and children such health, dental and vision insurance coverage on the same basis as other employees. A portion of the insurance coverage is paid by the Company.
- **Life Insurance.** The Company provides each named executive officer such life insurance on the same basis as other employees.
- **Retirement Benefits.** Our executive officers are eligible to participate in our 401(k) defined contribution plan on the same basis as other eligible employees. The Company currently matches 100% of the first three percent of an employee's cash compensation contributed by each employee, and 50% of the next two percent of an employee's cash compensation contributed.

A description of the severance arrangements we maintain with our named executive officers can be found under "Severance and Change in Control Arrangements with Named Executive Officers." below. We also limit the perquisites that we make available to our executive officers, particularly in light of the potential for abuse associated with such perquisites. Accordingly, our executives are entitled to few benefits that are not otherwise available to all of our employees.

POLICY REGARDING TAX DEDUCTIBILITY OF COMPENSATION

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1 million paid to the company's named executive officers. The Compensation Committee's general policy is to maintain flexibility in compensating named executive officers in a manner designed to promote varying corporate goals. In addition, we believe that we qualify as a REIT under the Code and generally are not subject to federal income taxes, provided that we distribute to our stockholders at least 90% of our taxable income each year. As a result, we do not expect that the payment of compensation that does not satisfy the requirements of Section 162(m) of the Code will have a material adverse federal income tax consequence to us. Accordingly, the Compensation Committee has not adopted a policy that all compensation must be deductible.

EXECUTIVE COMPENSATION

STOCK OWNERSHIP GUIDELINES FOR EXECUTIVE AND SENIOR OFFICERS

We have stock ownership guidelines which require each of our executive and senior officers, within five years after appointment as an officer, to hold shares of our common stock or restricted stock. These stock ownership guidelines align our officers' interests with those of our stockholders, ensuring executive and senior officers hold a significant amount of equity in the Company. Each executive and senior officer has met the following guidelines as of December 31, 2021, or has additional time within which to come into compliance in accordance with the guidelines.

Position	Base Salary Multiple	Time to Attain
CEO	5x	5 years
Executive Vice President	3x	5 years
Senior Vice President	1x	5 years

IMPACT OF ADVISORY VOTE APPROVING EXECUTIVE COMPENSATION

At the Company's 2021 Annual Meeting of Stockholders, an advisory vote was held to approve executive compensation, thereby affording stockholders the opportunity to cast a vote on the compensation programs for our named executive officers. Of the 133,687,662 total shares outstanding, 95% voted on this matter, excluding abstentions and broker non-votes. The result of these votes indicated 96% approval of the compensation paid to our named executive officers. The Compensation Committee believes that the results of this vote affirm stockholder support of the Company's approach to executive compensation, and the Compensation Committee did not change its general approach to executive compensation after receiving these voting results. The Compensation Committee will continue to consider the outcome of advisory stockholder votes regarding executive compensation when making future compensation decisions for our named executive officers.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with the Company's management and, based on our review and discussions, the committee recommended to the board of directors that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K and in this proxy statement.

(1) Represents amounts earned related to the Company's annual incentive bonus program.

(2) Dollar amounts represent the grant date fair value of the stock and performance-based stock units ("PSU(s)") granted during the year computed in accordance with ASC 718, using the assumptions to value such awards reported in the notes to the Company's financial statements in its Annual Report on Form 10-K for the year ended December 31, 2021 filed with the SEC.

The grant date fair value of the restricted stock awards granted in 2021 to the named executive officers was as follows: Mr. Margolis, \$1,275,027; Mr. Stubbs, \$356,258; Mr. Herrington, \$97,502; Ms. McNeal, \$233,325; and Mr. Sondhi, \$273,287.

With respect to the PSUs granted during 2021, the performance objectives applicable to those awards relate to two performance components, each weighted 50%, that are measured at the end of a three-year performance period ending December 31, 2023. With respect to both measurements, the NEOs have the ability to be paid out at a range of 0% to 200% of the target units depending on the Company's performance with respect to both metrics. In addition, the award recipient will receive a cash payment equivalent to the dividends that would have been paid on such stock during the performance period on the vesting date of the PSUs.

The grant date fair value of the portion of these performance-based units that are tied to our total stockholder return (which is a market-based condition) was calculated, in accordance with ASC 718, using a Monte Carlo simulation which considered the likelihood of achieving the vesting conditions. Our model estimates the fair value of the awards based on our data and that of the MSCI US REIT Index. Based on the performance objectives and these capital markets assumptions, these PSUs were valued at \$158.88 per share, which value was applied to the target units eligible to be earned with respect to this objective for the 2021 grants. The grant date fair value under ASC 718 of the portion of these PSUs granted as reflected in this column, was as follows: Mr. Margolis, \$1,728,615; Mr. Stubbs, \$482,995; Mr. Herrington, \$132,188; Ms. McNeal, \$316,330; and Mr. Sondhi, \$370,667.

The grant date fair value of the portion of these performance-based stock units that are tied to Core FFO objectives was calculated, in accordance with ASC 718, based on the closing stock price on the grant date and the probable outcome of the Core FFO performance objectives as of the grant date (which was determined to be at "target" levels). As a result, the grant date fair value of these performance-based units was \$117.19 per share, which value was applied to the "target" number of units eligible to be earned with respect to this objective for the 2021 grants. The grant date fair value under ASC 718 of the portion of the PSUs granted in 2021 that are tied to Core FFO performance, as reflected in this column, was as follows: Mr. Margolis, \$1,275,027; Mr. Stubbs, \$356,258; Mr. Herrington, \$97,502; Ms. McNeal, \$233,325; and Mr. Sondhi, \$273,287. The grant date fair value under ASC 718 of these PSUs assuming the highest level of performance achievement, is as follows: Mr. Margolis, \$2,550,054; Mr. Stubbs, \$712,516; Mr. Herrington, \$195,004; Ms. McNeal, \$466,650; and Mr. Sondhi, \$546,574.

(3) All other compensation for the year ending December 31, 2021 includes dividends on restricted stock paid in 2021 and dividend equivalent payouts paid in cash on 2019 PSUs that vested based on performance for the performance period ended December 31, 2021, which cash dividend equivalent payouts occurred in February 2022, as follows: Mr. Margolis, \$132,966 and \$608,372, respectively; Mr. Stubbs, \$38,331 and \$170,003, respectively; Mr. Herrington, \$16,788 and \$—, respectively; Ms. McNeal, \$24,579 and \$111,330, respectively; and Mr. Sondhi, \$28,458 and \$130,405, respectively. All other compensation for the year ending December 31, 2021 also includes 401(k) defined contribution plan contributions of \$11,600 made by the Company for each named executive officer.

(2) Market value at year-end is based on the closing trading price of our stock on December 31, 2021, which was \$226.73.

(3) Represents the PSUs granted to the NEOs on February 16, 2021 and February 12, 2020 that vest after a three-year performance period ending December 31, 2023 and December 31, 2022, respectively, as follows: Mr. Margolis, 21,760 units granted in 2021 and 22,748 units granted in 2020; Mr. Stubbs, 6,080 units granted in 2021 and 6,356 units granted in 2020; Mr. Herrington, 1,664 units granted in 2021 and none from 2020 due to his promotion on June 1, 2020; Ms. McNeal, 3,982 units granted in 2021 and 4,164 units granted in 2020; and Mr. Sondhi, 4,665 units granted in 2021 and 4,876 units granted in 2020. The maximum payout of the PSUs would be double the units awarded at grant date. The PSUs are included in the table above at target levels. The NEOs have the ability to be paid out at a range of 0% to 200% of the target units depending on the Company's performance with respect to the performance metrics applicable to these awards. In addition, the award recipient will receive a cash payment equivalent to the dividends that would have been paid on such stock during the performance period on the vesting date of the PSUs. For a description of the vesting terms applicable to such awards, please see "Executive Compensation — Compensation Discussion and Analysis -- Long-Term Incentives Granted in 2021" above. The awards are eligible for accelerated vesting under certain circumstances as described below under "Executive Compensation Tables -- Severance and Change in Control Arrangements with Named Executive Officers."

Samrat Sondhi	5,600	653,733	13,856	2,489,178

(1) Includes the 2019 PSUs granted on March 5, 2019 that were settled in February 2022 based on performance during the three-year performance period that ended December 31, 2021, and corresponding dividend equivalent payouts paid in cash on such 2019-2021 PSUs, which cash dividend equivalent payouts occurred in February 2022, as follows: Mr. Margolis, 52,176 shares and \$608,372, respectively; Mr. Stubbs, 14,580 shares and \$170,003, respectively; Mr. Herrington, 0 shares and \$0, respectively; Ms. McNeal, 9,548 shares and \$111,330, respectively; and Mr. Sondhi, 11,184 shares and \$130,405, respectively.

SEVERANCE AND CHANGE IN CONTROL ARRANGEMENTS WITH NAMED EXECUTIVE OFFICERS

The named executive officers do not have employment agreements with the Company; however, they would receive severance payments upon termination of employment by reason of termination without cause or resignation for good reason within 12 months following a change in control of the Company as defined in the Company's Executive Change in Control Plan as follows:

- two years of annual base salary plus two times the greater of the prior year's bonus or average of the three previous annual bonuses, payable in a lump sum;
- annual salary and other benefits earned and accrued prior to the termination of employment;
- lump sum payment equal to the cost of continuing health benefits for two years;
- outplacement services for six months; and
- full vesting of equity incentive compensation and any non-qualified pension or deferred compensation benefits.

In addition, the PSUs will vest on an accelerated basis under certain circumstances. Specifically, in the event of a change in control of the Company prior to the end of the three-year performance period, such number of PSUs will vest on the date of the change in control as is equal to the greater of (1) the target number of units or (2) such number of units as would vest based on actual performance relative to the performance goals for the portion of the performance period ending on the date of the change in control, provided, that in determining performance relative to the Core FFO performance objective for the performance period, the Company's Core FFO for the shortened performance period will be measured against prorated Core FFO objectives. In the event of a named executive officer's termination due to death or disability prior to the end of the three-year performance period, a prorated portion of the target number of units will vest on the date of termination based on the portion of the three-year performance period that has elapsed prior to the date of termination.

(1) Represents the value of the acceleration of the unvested options and restricted stock awards using the closing stock price of \$226.73 on December 31, 2021.

(2) Represents the value of the acceleration of the unvested PSUs assuming payout at target using the closing stock price of \$226.73 on December 31, 2021 which number was prorated for purposes of the column related to a termination by reason of death or disability to give effect to the portion of the three year performance period that had elapsed prior to the assumed date of termination (one-third in the case of the PSUs granted in 2021 and two-thirds in the case of the PSUs granted in 2020. These values do not include the 2019 PSUs due to the fact that the measurement date for those awards occurred on December 31, 2021 and only continued employment through December 31, 2021 is required in order for an NEO to be eligible to vest in such awards).

(3) Represents the value of health benefits to be paid on behalf of the executive for the two years after termination, however, does not include the amount of any tax gross-up on such amounts as described in the plan. Excludes the value of outplacement benefits, which cannot be quantified at this time.

(4) Options and shares of restricted stock fully vest upon death. Vesting due to disability is determined on a case by case basis by the Compensation Committee.

EQUITY COMPENSATION PLAN INFORMATION

The following table presents certain equity compensation plan information as of December 31, 2021:

Plan Category	Number of shares to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of shares remaining available for future issuance under equity compensation plans (excluding shares reflected in the first column)
Equity compensation plans approved by security holders	9,272 ⁽¹⁾ \$	82.47 ⁽¹⁾	1,051,208 ⁽²⁾
Equity compensation plans not approved by security holders	—	—	—
Total	9,272 \$	82.47	1,051,208

(1) Represents shares issuable pursuant to and weighted-average exercise price of outstanding options under our 2015 Incentive Award Plan and 2004 Long-Term Incentive Compensation Plan ("2004 Plan").

(2) Represents shares issuable pursuant to future awards under our 2015 Incentive Award Plan. Shares available may increase by previously issued options or awards under the 2004 Plan that are cancelled and/or forfeited.

CEO PAY RATIO

We believe executive pay must be internally consistent and equitable to motivate our employees to create stockholder value. We are committed to internal pay equity, and the Compensation Committee monitors the relationship between the pay of our executive officers and the pay of our non-managerial employees. The Compensation Committee reviewed a comparison of CEO pay (base salary and incentive pay) to the pay of all our employees in 2021. Our CEO to median employee pay ratio set forth below is a reasonable estimate calculated as required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and in accordance with Item 402(u) of Regulation S-K.

We identified the median employee by examining the 2021 total cash compensation for all individuals, excluding our CEO, who were employed by us on December 31, 2021, the last day of our payroll year. In determining our median employee, we included all employees, whether employed on a full-time, part-time, or seasonal basis.

We did not make any assumptions, adjustments, or estimates with respect to total cash compensation, and we did not annualize the compensation for any full-time employees who were not employed by us for all of 2021. We believe the use of total cash compensation for all employees is a consistently applied compensation measure because we do not widely distribute annual equity awards to employees. Approximately 9% of our employees receive annual equity awards.

For 2021:

- the median of the annual total compensation of all employees of our Company (other than our CEO) was \$43,361; and
- the annual total compensation of our CEO, as reported in the Summary Executive Compensation Table included elsewhere in this proxy statement, was \$7,315,982

Based on this information, for 2021, our CEO to median employee pay ratio was 169 to 1.

SECURITY OWNERSHIP OF DIRECTORS AND OFFICERS

The following table presents the beneficial ownership of our common stock, as of the close of business on March 28, 2022 of:

- each of our directors and nominees for director;
- each named executive officer noted above; and
- our directors and named executive officers as a group.

The address for each named person is c/o Extra Space Storage Inc., 2795 East Cottonwood Parkway, Suite 300, Salt Lake City, UT 84121. We are not aware of any pledge of our common stock that could result in a change in control of our Company.

(1) Consists of options to acquire shares of common stock that can be exercised within 60 days of March 28, 2022.

(2) Consists of restricted shares of our common stock that are subject to restrictions on transfers and forfeiture provisions. The forfeiture and transfer restrictions lapse over a four-year period beginning on the date of grant for executives and a one-year period beginning on the date of grant for members of the board of directors.

(3) Beneficial ownership of shares is determined in accordance with the rules of the SEC and generally includes any shares over which a person exercises sole or shared voting or investment power, or of which a person has the right to acquire ownership within 60 days after March 28, 2022. This includes any unvested restricted stock awards as reported under column header "RSA" and any stock options as reported under column header "Options" in the table above.

(4) For each person included in the table, percent of class is calculated by dividing the number of shares of our common stock beneficially owned by that person by the sum of (a) 134,251,076 shares of our common stock outstanding as of March 28, 2022 plus (b) the number of options to acquire common stock beneficially owned by such person that can be exercised within 60 days of March 28, 2022.

(5) Amounts also include 300,000 shares that were pledged as collateral on one loan. As of March 28, 2022, approximately \$10 million was outstanding on the loan.

(6) Includes 85,000 shares of common stock which are held by Cove Hollow Lane I, LLC, which is beneficially owned by The Margolis Family Delaware Trust I, and 25,144 shares of common stock which are held by Cove Hollow Lane II, LLC, which is beneficially owned by The Margolis Family Delaware Trust II. Mr. Margolis controls the investment decisions of The Margolis Family Delaware Trust I and Mr. Margolis' spouse controls the investment decisions of The Margolis Family Delaware Trust II. As a result of the relationships describe in the prior sentence, Mr. Margolis may be deemed to have or share beneficial ownership of shares held by such entities.

(7) Includes 100,000 shares of common stock which are held by Roger Blaine Porter 2012 Trust, an entity in which Mr. Porter has shared voting and investment power and beneficial ownership.

(8) Includes 644,366 shares of common stock which are held by Krispen Family Holdings, L.C., an entity in which Mr. Kirk has shared voting and investment power. Mr. Kirk has no pecuniary interest in 50.5% of such shares and disclaims beneficial ownership. Includes 161,215 shares of common stock which are held by The Kirk 101 Trust. Mr. Kirk has no pecuniary interest in any of these shares and disclaims beneficial ownership. Includes 17,500 shares of common stock held by the Spenco Irrevocable Trust. Mr. Kirk may be deemed to have or share beneficial ownership of shares held by such entity.

MATTERS THAT MAY BE BROUGHT BEFORE THE ANNUAL MEETING

Item 1. Election of Directors

NOMINEES

In accordance with the provisions of our charter and bylaws, each member of the board of directors is elected at the annual meeting. Each member of the board of directors elected will serve for a term expiring at the annual meeting of stockholders in 2023, and until his or her successor has been duly elected and qualifies, or until his or her resignation or removal. Kenneth M. Woolley, Joseph D. Margolis, Roger B. Porter, Joseph J. Bonner, Gary L. Crittenden, Spencer F. Kirk, Dennis J. Letham, Diane Olmstead and Julia Vander Ploeg are the nominees for election to the board of directors.

We have not received notice of any additional candidates to be nominated for election as directors at the 2022 Annual Meeting of Stockholders and the deadline for notice of additional candidates has passed. Consequently, the election of directors will be an uncontested election and the provisions of our bylaws providing for majority voting in uncontested elections will apply. Under majority voting, to be elected as a director, a nominee must receive votes “FOR” his or her election constituting a majority of the total votes cast for and against such nominee at the annual meeting at which a quorum is present. If a nominee who currently is serving as a director does not receive sufficient “FOR” votes to be re-elected, he or she must submit his or her resignation to the board of directors. Our Nominating and Governance Committee will consider such tendered resignation and recommend to the board whether to accept it. The board of directors will decide whether to accept any such resignation within 90 days after certification of the election results and will publicly disclose its decision. If the resignation is not accepted, the director will continue to serve until the director’s successor is duly elected and qualifies or until the director’s earlier resignation or removal.

Each of the nominees has consented to serve if elected. If, before the annual meeting, any of them becomes unable to serve, or chooses not to serve, the board of directors may nominate a substitute. If that happens, the persons named as proxies on the proxy card will vote for the substitute.

Biographical information about each of the nominees is found at the beginning of this proxy statement. See “Information about the Board of Directors and its Committees—Nominees for Directors.”

Recommendation of the Board of Directors

Our board of directors recommends that you vote FOR the election of Kenneth M. Woolley, Joseph D. Margolis, Roger B. Porter, Joseph J. Bonner, Gary L. Crittenden, Spencer F. Kirk, Dennis J. Letham, Diane Olmstead and Julia Vander Ploeg as directors for the term expiring at the 2023 Annual Meeting of Stockholders, and until their respective successors are duly elected and qualify.

Item 2. Ratification of the Engagement of Ernst & Young LLP as the Company’s Independent Registered Public Accounting Firm for 2022

Our Audit Committee has appointed the firm of Ernst & Young LLP to serve as our independent registered public accounting firm for the year ending December 31, 2022. Ernst & Young LLP has acted as the Company’s independent registered public accounting firm since April 2005, and our management considers the firm to be well qualified.

We have been advised by Ernst & Young LLP that it is a registered public accounting firm with the PCAOB and complies with the auditing, quality control and independence standards and rules of the PCAOB and the SEC.

Our charter and bylaws do not require that stockholders ratify the appointment of the independent registered public accounting firm. We are submitting the appointment for ratification because the board of directors believes it is a matter of good corporate practice. If our stockholders do not ratify the appointment, the Audit Committee will reconsider whether to retain Ernst & Young LLP. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interest of the Company.

A representative of Ernst & Young LLP is expected to be present at the annual meeting with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

Total Fees	<u>\$ 2,843,561</u>	<u>\$ 2,533,581</u>

- (1) Audit fees consist of services rendered for the audit of our annual financial statements and other financial disclosures, audit of our internal control over financial reporting, review of the consolidated financial statements included in our Form 10-Q filings, consents issued related to registration statements and issuance of comfort letters.
- (2) Audit-related fees represent professional fees for accounting consultation and other attest engagements.
- (3) Tax fees represent professional services rendered for tax compliance, tax advice and tax planning.

AUDIT COMMITTEE PRE-APPROVAL OF SERVICES BY THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

In accordance with its charter and applicable rules and regulations adopted by the SEC, our Audit Committee reviews and pre-approves any engagement of the independent registered public accounting firm to provide audit, review or attest services or non-audit services and the fees for any such services. The Audit Committee annually considers and, if appropriate, approves the provision of audit services by the independent registered public accounting firm. In addition, the Audit Committee periodically considers and, if appropriate, approves the provision of any additional audit and non-audit services by our independent registered public accounting firm that are neither pre-approved by the Audit Committee on an annual basis nor prohibited by applicable rules and regulations of the SEC. The Audit Committee has delegated to the chairman of the Audit Committee, Mr. Letham, the authority to pre-approve, on a case-by-case basis, any such additional audit and non-audit services to be performed by our independent registered public accounting firm. Mr. Letham reports any decision to pre-approve such services to the Audit Committee at its next regular meeting. All of the fees described in the table above were pre-approved by the Audit Committee.

Recommendation of the Board of Directors

Our board of directors recommends that you vote "FOR" ratification of the Audit Committee's selection of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2022.

Item 3. Advisory Vote to Approve the Compensation of the Named Executive Officers

We request stockholder approval, on an advisory basis, of the compensation paid to our named executive officers as disclosed pursuant to the SEC's compensation disclosure rules (which disclosure includes the Compensation Discussion and Analysis and the accompanying compensation tables and related material disclosed in this proxy statement).

As described in the Compensation Discussion and Analysis of this proxy statement, our executive compensation program is designed to reinforce a results-oriented culture with executive pay that reflects Company and individual performance against business objectives and high ethical standards, with an emphasis on variable performance-based compensation. Our compensation program is designed to attract, retain and motivate key executives and align their interests with that of our stockholders. As such, we believe that our executive compensation program and the corresponding executive compensation detailed in the compensation tables and related narrative of this proxy statement are strongly aligned with the long-term interests of our stockholders.

As an advisory vote, this proposal is not binding upon the Company. However, our Compensation Committee, which is responsible for designing and administering our executive compensation program, values the opinions expressed by stockholders in their vote on this proposal, and will carefully consider the outcome of the vote when making future compensation decisions for named executive officers.

MATTERS THAT MAY BE BROUGHT BEFORE THE ANNUAL MEETING

The board of directors strongly endorses the Company's executive compensation program and recommends that stockholders vote in favor of the following resolution:

RESOLVED, that the stockholders approve, on an advisory basis, the compensation paid to our named executive officers as disclosed pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the compensation tables and any related material disclosed in Extra Space Storage Inc.'s Proxy Statement for the 2022 Annual Meeting of Stockholders.

Recommendation of the Board of Directors

Our board of directors recommends that you vote "FOR" the approval, on an advisory basis, of the compensation paid to our named executive officers as disclosed pursuant to the SEC's compensation disclosure rules.

OTHER MATTERS

Review and Approval of Related Party Transactions

We recognize that related party transactions present a heightened risk of conflicts of interest (or the perception thereof), and therefore have adopted a written policy pursuant to which all related party transactions will be subject to review and approval or ratification in accordance with the procedures set forth in the policy. A related party transaction is defined in our policy as a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) requiring disclosure under Item 404(a) of Regulation S-K promulgated by the SEC, or any successor provision as then in effect.

The policy provides that related party transactions are reviewed by our Audit Committee or another independent body of the board of directors, such as the independent and disinterested members of the board of directors. As set forth in the Audit Committee charter, the members of the Audit Committee, all of whom are independent directors, review and approve related party transactions for which such approval is required under applicable law, including SEC and NYSE rules.

In the course of its review and approval or ratification of a disclosable related party transaction, the Audit Committee or the independent and disinterested members of the board of directors may consider:

- the nature of the related person's interest in the transaction;
- the material terms of the transaction, including, without limitation, the amount and type of transaction;
- the importance of the transaction to the related person;
- the importance of the transaction to the Company;
- whether the transaction would impair the judgment of a director or executive officer to act in the best interest of the Company; and
- any other matters deemed appropriate.

Voting Shares at Annual Meeting

Holders of record of our common stock as of the close of business on the record date, March 28, 2022, are entitled to receive notice of, and to vote at, the annual meeting. The outstanding common stock constitutes the only class of securities entitled to vote at the annual meeting and each share of common stock entitles the holder thereof to one vote. At the close of business on March 28, 2022, there were 134,251,076 shares of common stock outstanding. Stockholders can vote in person at the annual meeting or by proxy.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Internet proxy authorization also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the annual meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card and bring it to the annual meeting in order to vote.

Shares will be voted as the stockholder of record instructs. The persons named as proxies on the proxy card will vote as recommended by our board of directors on any matter for which a stockholder has not given instructions. The board of directors' recommendations appear under each matter to be voted on under the section titled "Matters That May be Brought Before the Annual Meeting".

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting To Be Held on May 25, 2022

Electronic copies of our proxy statement and annual report for fiscal year 2021 are available at our website, www.extraspace.com, under Company Info - Investor Relations.

Revoking a Proxy

Stockholders of record may revoke their proxy and change their votes any time before their votes are cast by:

- giving written notice of revocation to our Corporate Secretary at our address prior to the annual meeting;
- authorizing a proxy again on a later date on the Internet (only the latest Internet proxy submitted prior to the annual meeting will be counted);
- signing and forwarding to us a later-dated proxy; or
- attending the annual meeting and voting their shares of common stock in person.

Quorum and Vote Counting

The annual meeting requires a quorum, which means that a majority of the shares issued and outstanding as of the record date must be represented at the meeting. If a stockholder grants a proxy or attends the meeting in person, that stockholder's shares will be counted to determine whether a quorum is present, even if the stockholder abstains from voting on some or all matters introduced at the meeting. "Broker non-votes" (as described below) also count for quorum purposes.

If shares are held through a broker, bank or other nominee, generally the nominee may vote the shares it holds for the stockholder in accordance with the stockholder's instructions. However, if the nominee has not received instructions within ten days prior to the meeting, the nominee may vote in its discretion only on matters that the NYSE determines to be routine. If a nominee cannot vote on a particular matter because it is not routine, there is a "broker non-vote" on that matter.

Each of the nine nominees for director must receive a majority of the votes cast for and against such nominee to be elected as director. All other matters other than Proposal 4 must be approved by a majority of the votes cast on such matter. Abstentions and broker non-votes are counted as present and entitled to vote, but they are not counted as votes cast for or against any proposal and therefore have no effect on the outcome of any of the matters to be voted upon at the annual meeting. With regard to the frequency of future stockholder votes on executive compensation, the option which receives the most "for" votes (among votes properly cast in person or by proxy) will be the shareholders' recommendation, on an advisory basis, of the frequency of future shareholder votes on executive compensation.

American Stock Transfer & Trust Company, our transfer agent and registrar, will assist in the distribution of proxy materials and tabulation of votes.

Costs of Soliciting Proxies

We will pay the costs of soliciting proxies. In addition to solicitation by Internet and mail, certain of our directors, officers and regular employees may solicit the return of proxies by telephone, personal interview or otherwise without being paid additional compensation. We will also reimburse brokerage firms and other persons representing the beneficial owners of our shares for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners in accordance with the proxy solicitation rules and regulations of the SEC and the NYSE.

Other Matters to Come Before the 2022 Annual Meeting

Our board of directors and management know of no other matters or business to be presented for consideration at the annual meeting. If, however, any other matters properly come before the annual meeting or any adjournment(s) or postponement(s) thereof, it is the intention of the persons named in the enclosed proxy to vote such proxy in accordance with their discretion on any such matters. The persons named in the enclosed proxy may also, if they deem it advisable, vote such proxy to adjourn the annual meeting from time to time.

Stockholder Proposals for 2023 Annual Meeting

Under SEC rules, proposals from our eligible stockholders must be received by us no later than December 6, 2022, in order to be considered for inclusion in the proxy statement for the 2023 Annual Meeting of Stockholders. Any such proposals, as well as any questions relating thereto, should be directed to the Corporate Secretary of the Company at our principal executive offices. Proposals we receive after December 6, 2022, will not be included in the proxy statement for the 2023 annual meeting.

In addition, under our current bylaws, and as SEC rules permit, stockholders must follow certain procedures to nominate a person for election as a director at an annual meeting, including director nominees pursuant to our proxy access bylaws or special meeting, or to introduce an item of business at an annual meeting. A stockholder must notify the Corporate Secretary of the Company in writing of the director nominee or the other business. For purposes of our 2023 Annual Meeting of Stockholders, the notice must include the information required in our bylaws and be delivered to the Corporate Secretary at the principal executive offices of the Company not

OTHER MATTERS

earlier than the 150th day (November 6, 2022) and not later than 5:00 p.m., Mountain Time, on the 120th day (December 6, 2022) prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting. Proposals and director nominations we receive which do not comply with the procedures set forth in our bylaws will not be acted upon at the 2023 annual meeting. The submission of a stockholder proposal or proxy access nomination does not guarantee that it will be included in our proxy statement.

If the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, notice by the stockholder must be delivered as described above not earlier than the 150th day prior to the date of mailing of the notice for such annual meeting and not later than 5:00 p.m., Mountain Time, on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. The public announcement of a postponement or adjournment of an annual meeting does not commence a new time period for notice as described above.

In addition to satisfying the foregoing requirements under the company's bylaws, to comply with the universal proxy rules (once they become effective), stockholders who intend to solicit proxies in support of director nominees other than the company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than March 26, 2023 (60 days prior to the first anniversary of this year's annual meeting).

Householding of Proxy Materials

The rules promulgated by the SEC permit companies, brokers, banks or other intermediaries to deliver a single copy of an annual report, proxy statement or Notice of Internet Availability, as applicable to households at which two or more stockholders reside. This practice, known as "householding," is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources. Stockholders sharing an address who have been previously notified by their broker, bank or other intermediary and have consented to "householding" will receive only one copy of our annual report, proxy statement or Notice of Internet Availability, as applicable. If you would like to opt out of this practice for future mailings and receive a separate annual report, proxy statement or Notice of Internet Availability, as applicable for each stockholder sharing the same address, please contact your broker, bank or other intermediary. You may also obtain a separate annual report, proxy statement or Notice of Internet Availability, as applicable, without charge by sending a written request to Extra Space Storage Inc., 2795 East Cottonwood Parkway, Suite 300, Salt Lake City, UT 84121, Attention: Investor Relations, or by telephone at (801) 365-1759. We will promptly without charge send additional copies of the annual report, proxy statement or Notice of Internet Availability, as applicable, upon receipt of such request. Stockholders sharing an address that are receiving multiple copies of the annual report, proxy statement or Notice of Internet Availability, as applicable, can request delivery of a single copy of the annual report, proxy statement or Notice of Internet Availability, as applicable, by contacting their broker, bank or other intermediary or sending a written request to Extra Space Storage Inc. at the address above.

Delinquent Section 16(a) Reports

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), requires the Company’s directors, executive officers and persons who own more than 10% of the Common Stock (collectively, “Reporting Persons”) to file with the SEC initial reports of ownership and changes in ownership of the Common Stock. Reporting Persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) reports they file. To the Company’s knowledge, based solely on its review of the copies of such reports received, the Company believes that for the fiscal year ended December 31, 2021, all Reporting Persons complied with all applicable Section 16(a) filing requirements, except that one Form 4 was filed late for Zachary Dickens, with respect to seven transactions, one Form 4 was filed late for Matthew Herrington with respect to two transactions, one Form 4 was filed late for Noah Springer with respect to four transactions, and one Form 5 was filed late for Ken Woolley with respect to two transactions.

APPENDIX A – RECONCILIATION OF NON-GAAP FINANCIAL MEASURES

Funds From Operations

FFO provides relevant and meaningful information about our operating performance that is necessary, along with net income and cash flows, for an understanding of our operating results. We believe FFO is a meaningful disclosure as a supplement to net earnings. Net earnings assume that the values of real estate assets diminish predictably over time as reflected through depreciation and amortization expenses. The values of real estate assets fluctuate due to market conditions and we believe FFO more accurately reflects the value of our real estate assets. FFO is defined by the National Association of Real Estate Investment Trusts, Inc. (“NAREIT”) as net income computed in accordance with GAAP excluding gains or losses on sales of operating stores and impairment write downs of depreciable real estate assets, plus depreciation and amortization and after adjustments to record unconsolidated partnerships and joint ventures on the same basis. We also present FFO as adjusted which excludes non-recurring revenues and expenses, acquisition related costs and non-cash interest.

The following table outlines our FFO and Core FFO for the year ended December 31, 2021. The table also provides a reconciliation to GAAP net income attributable to common stockholders and earnings per diluted share (amounts shown in thousands, except share and per share data — unaudited):

	For the Year Ended December 31, 2021	
	(per share)	
Net income attributable to common stockholders	\$ 827,649	\$ 6.19
Impact of the difference in weighted average number of shares – diluted ⁽¹⁾		(0.32)
Adjustments:		
Real estate depreciation	229,133	1.63
Amortization of intangibles	4,420	0.03
Gain on real estate transactions	(140,760)	(1.00)
Unconsolidated joint venture real estate depreciation and amortization	11,954	0.08
Unconsolidated joint venture gain on sale of properties and purchase of partners' interests	(6,251)	(0.04)
Distributions paid on Series A Preferred Operating Partnership units	(2,288)	(0.02)
Income allocated to Operating Partnership noncontrolling interests	50,109	0.36
FFO attributable to common stockholders and unit holders	\$ 973,966	\$ 6.91
Adjustments:		
None		
Core FFO attributable to common stockholders and unit holders	\$ 973,966	\$ 6.91
Weighted average number of shares—diluted ⁽²⁾	140,988,683	

- (1) Adjustment to account for the difference between the number of shares used to calculate earnings per share and the number of shares used to calculate FFO per share. Earnings per share is calculated using the two-class method, which uses a lower number of shares than the calculation for FFO per share and Core FFO per share, which are calculated assuming full redemption of all OP units as described in note (2).
- (2) Extra Space Storage LP (the “Operating Partnership”) has outstanding preferred and common operating partnership units (“OP units”). These OP units can be redeemed for cash or, at the Company’s election, shares of the Company’s common stock. Redemption of all OP units for common stock has been assumed for purposes of calculating the weighted average number of shares—diluted as presented above. The computation of weighted average number of shares—diluted for FFO per share and Core FFO per share also includes the effect of share-based compensation plans and shares related to the exchangeable senior notes using the treasury stock method.

Same Store Net Operating Income

For an explanation of how we calculate Same-Store net operating income, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in our Annual Report on Form 10-K for the year ended December 31, 2021, filed with the SEC.
