

BOAT STORAGE SIZE GUIDE

Is it time to store your boat for the season? Extra Space Storage has the vehicle storage solution you need to keep your boat safe!

TYPES OF BOAT STORAGE

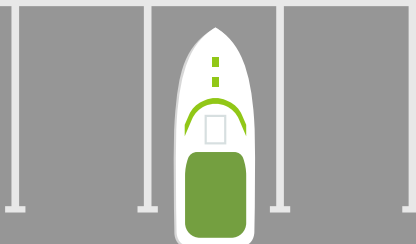

INDOOR STORAGE

- Variety of sizes available
- Drive-up access similar to home garages
- Provides protection from the elements

OUTDOOR STORAGE

- Most affordable option
- Parking spaces can be up to 40 feet long
- Can accommodate all types and sizes of boats

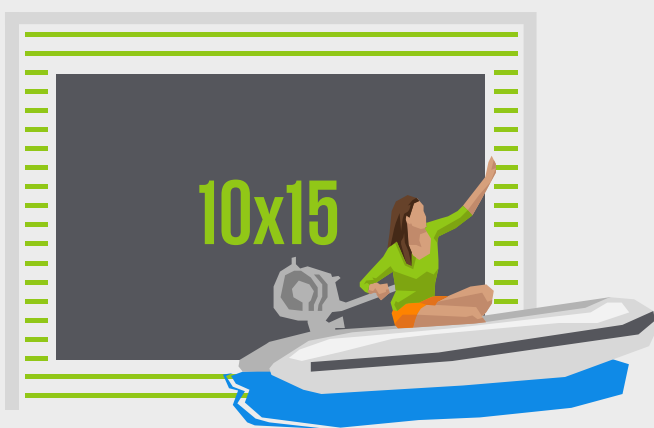

COVERED STORAGE

- Roof provides protection from sun, hail, and snow
- More cost-effective than indoor storage
- Parking spaces can be up to 40 feet long
